Specifically, WilmerHale has reduced its fees and expenses by **\$40,208.94** pursuant to its agreement with Purdue Pharma, L.P. and to comply with the UST Guidelines. No party has objected to any of WilmerHale’s monthly statements filed during the Interim Fee Period.

#### **SUMMARY OF SERVICES RENDERED**

30. This Application requests interim allowance of the compensation for and reimbursement of expenses sought in the Fourth, Fifth, Sixth and Seventh Fee Statements (collectively, the “**Monthly Statements**”), annexed hereto as Exhibits G-J, including all holdbacks, pursuant to sections 330 and 331 of the Bankruptcy Code.

31. During the Interim Fee Period, a total of **531.80** hours was incurred by all timekeepers, with the fees totaling **\$335,074.50**<sup>10</sup> for a blended rate of **\$730.07** per hour for attorneys and **\$399.17** for paraprofessionals. WilmerHale believes that these rates are reasonable and fair in light of the complexity of these cases.

32. The services performed during the Interim Fee Period generally include the following categories, as summarized below, but is not intended to be a detailed description of the work performed. Rather, it is merely an attempt to highlight certain of those areas in which services were rendered to the Debtors. A more detailed description of WilmerHale's services are reflected in the Monthly Statements.

**A. Fee/Employment Applications (B160)**

33. During the Interim Fee Period, WilmerHale professionals spent time preparing monthly fee statements, fee applications, and other documents related to WilmerHale's retention as special counsel to the Debtors.

34. WilmerHale expended **78.70** hours with a value of **\$46,337.50** in this category during the Interim Fee Period.

**B. Congressional Investigation (L400)**

35. During the Interim Fee Period, WilmerHale professionals spent time preparing materials relevant to continuing to advise Purdue Pharma LP in connection with certain inquiries by Congressional committees into opioid product sales and marketing practices as set forth in the retention application.

36. WilmerHale expended **453.10** hours with a value of **\$288,737.00** in this category during the Interim Fee Period.

---

<sup>10</sup> This amount was further reduced to \$294,865.56 on account of an agreed reduction in the aggregate amount of \$40,208.94.

### **ALLOWANCE OF COMPENSATION**

37. The allowance of interim compensation for services rendered and reimbursement of expenses in bankruptcy cases is expressly provided for in section 331 of the Bankruptcy Code:

[A]ny professional person employed under section 327 . . . may apply to the court not more than once every 120 days after an order for relief in a case under this title, or more often if the court permits, for such compensation for services rendered . . . as is provided under section 330 of this title.

11 U.S.C. § 331. Moreover, this Court has authorized the filing of this Application in the Interim Compensation Order.

38. With respect to the level of compensation, section 330 of the Bankruptcy Code provides, in pertinent part, that the Court may award to a professional person “reasonable compensation for actual, necessary services rendered . . .” 11 U.S.C. § 330(a)(1)(A). Furthermore, section 330(a)(3) provides that

In determining the amount of reasonable compensation to be awarded to . . . [a] professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

39. The total time spent by WilmerHale attorneys and paraprofessionals during the Interim Fee Period was **531.80** hours with the fees totaling **\$335,074.50**<sup>11</sup>. The work involved, and thus the time expended, was carefully assigned in light of the experience and expertise required for a particular task. As shown by this Application and supporting documents, WilmerHale spent its time economically and without unnecessary duplication of time.

40. The fees charged by WilmerHale in these cases are billed in accordance with its agreed-upon billing rates and procedures in effect during the Interim Fee Period.

41. The professional services rendered by WilmerHale required a high degree of professional competence and expertise so that the numerous issues requiring evaluation and determination by the Debtors could be addressed with skill and dispatch. The professional services have, therefore, required WilmerHale to expend substantial time and effort. It is respectfully submitted that the services rendered to the Debtors were necessary and beneficial to the administration of the chapter 11 cases, and were performed efficiently, effectively and economically.

42. Most of the services performed by partners, counsel, and associates at WilmerHale were rendered by WilmerHale's regulatory and government affairs group. WilmerHale has a prominent practice in this area. Due to the facts and circumstances of the Debtors' chapter 11 cases, attorneys from WilmerHale's litigation and bankruptcy & financial restructuring practice groups have also been involved with WilmerHale's representation of the Debtors. Like the regulatory and government affairs group, the litigation and bankruptcy & financial restructuring practice groups enjoy national and international reputations for their expertise. Overall, WilmerHale brings to these chapter 11 cases a particularly high level of skill

---

<sup>11</sup> This amount was further reduced to \$294,865.56 on account of an agreed reduction in the aggregate amount of \$40,208.94.

and knowledge, which inured to the benefit of the Debtors and their estates.

43. WilmerHale charges for its legal services on an hourly basis in accordance with its ordinary and customary hourly rates in effect on the date such services are rendered, subject to sections 328(a), 1103(a) and 330 of the Bankruptcy Code. The hourly rates are subject to periodic adjustments in order to reflect economic and other conditions. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national legal market.

44. Pursuant to the Interim Compensation Order, WilmerHale's monthly fees are subject to a 20% "holdback." However, WilmerHale respectfully requests that the Court not "hold back" any portion of the allowed fees. The amount of WilmerHale's holdback for the four monthly fee statements filed during the Interim Fee Period ending May 31, 2020 is **\$58,973.11**. WilmerHale requests that all of its fees and expenses, including any holdback amount, be approved for payment, and suggests that there is no need for a continuing holdback of fees sought for the Interim Fee Period.

45. WilmerHale incurred actual out-of-pocket expenses in connection with the rendition of the professional services to the Debtors in the aggregate amount of **\$2,416.88** for which WilmerHale respectfully requests reimbursement in full. The disbursements and expenses have been incurred in accordance with WilmerHale's normal practice of charging clients for expenses clearly related to and required by particular matters. WilmerHale has endeavored to minimize these expenses to the fullest extent possible.

46. For the purpose of setting billing rates, WilmerHale does not include charges for photocopying, document printing, telephone and facsimile charges, computerized research, travel expenses, "working meals," secretarial overtime, postage, and certain other office services, because the needs of each client for such services differ. Instead, to the extent such expenses are

incurred, WilmerHale itemizes the related charges. WilmerHale believes that it is fairest to charge each client only for the services actually used in performing services for it. In these proceedings, WilmerHale charges \$0.10 per page for internal document printing in color and photocopying. The actual expenses incurred in providing professional services to the Debtors were absolutely necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors.

47. In summary, the services rendered by WilmerHale were necessary and beneficial to the Debtors and their estates, and were consistently performed in a timely manner commensurate with the complexity, importance, novelty and nature of the issues involved. Accordingly, WilmerHale respectfully submits that approval and allowance of the compensation and expense reimbursement sought herein is warranted.

48. No prior application has been made in this Court or in any other court for the relief requested herein for the Interim Fee Period.

**WHEREFORE**, WilmerHale respectfully requests that this Court enter an order:

- (a) approving the allowance of **\$294,865.56** for compensation for professional services rendered to the Debtors during the Interim Fee Period;
- (b) approving the reimbursement of WilmerHale's necessary and actual out-of-pocket expenses incurred in connection with the rendering of such services during the Interim Fee Period in the amount of **\$2,416.88**;
- (c) authorizing and directing the Debtors to pay the fees and expenses awarded, including but not limited to any holdback; and
- (d) granting to WilmerHale such other and further relief as this Court may deem just and proper.

2. This certification is made in respect of the *Second Interim Fee Application of Wilmer Cutler Pickering Hale and Dorr LLP for Allowance of Compensation and Reimbursement of Expenses* (the “**Application**”), for the period commencing February 1, 2020 through and including May 31, 2020 in accordance with the Local Guidelines.

3. With respect to section B.1 of the Local Guidelines, I certify that:

- b. to the best of my knowledge, information and belief formed after reasonable inquiry, the fees and disbursements sought in the Application fall within the Local Guidelines and UST Guidelines;

- a. **Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Answer: The fees charged by WilmerHale in these cases are billed in accordance with its agreed-upon billing rates. Prior to the petition date, the Debtors and WilmerHale agreed to a discounted fee arrangement, which WilmerHale and the Debtors agreed to maintain during the Interim Fee Period.

- b. **Question:** If the fees sought in the fee application as compared to the fees budgeted for the time period covered by the fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: Not Applicable. The fees sought in the fee application (\$294,865.56) were not 10% higher than the fees budgeted for the time period covered by the fee application (\$290,000).

- c. **Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Answer: The professionals included in the Application did not vary their hourly rate based on geographic location of the bankruptcy case.

- d. **Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing or revising invoices other than reasonable fees for preparing fee applications? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include

reasonable fees for preparing a fee application). If so, please quantify by hours and fees.

Answer: During the Interim Fee Period, in connection with preparing certain monthly fee statements, WilmerHale expended approximately 6.70 hours for an aggregate value of \$3,651.50 reviewing time records and invoices to ensure compliance with fee guidelines.

- e. **Question:** Does the fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Answer: During the Interim Fee Period, in connection with preparing certain monthly fee statements, WilmerHale spent 4.00 hours for an aggregate value of \$2,120.00 reviewing time records to redact any privileged or other confidential information.

- f. **Question:** If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: During the Interim Fee Period, WilmerHale increased its standard billing rates effective as of January 1, 2020 and negotiated a reduction of those rates with the Debtors.

Total compensation and reimbursement requested in this statement	\$79,221.44
This is a(n): <input checked="" type="checkbox"/> Monthly Application <input type="checkbox"/> Interim Application <input type="checkbox"/> Final Application	

Pursuant to sections 327, 330, and 331 of chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York (the ”**Local Rules**”), the *Order Authorizing the Retention and Employment of Wilmer Cutler Pickering Hale and Dorr LLP as Special Counsel for the Debtors Nunc Pro Tunc to the Petition Date*, dated November 25, 2019 [Docket No. 544] (the “**Retention Order**”), and the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated November 21, 2019 [Docket No. 529] (the “**Interim Compensation Order**”), Wilmer Cutler Pickering Hale and Dorr LLP (“**WilmerHale**”), special counsel for the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”), submits this *Fourth Monthly Fee Statement for Compensation for Services Rendered and Reimbursement of Expenses Incurred for the Period from February 1, 2020 Through February 29, 2020* (“**Fee Statement**”).<sup>3</sup> By this Fee Statement, WilmerHale seeks (i) compensation in the amount of \$77,511.10 which is 80% of the total amount of reasonable compensation for actual, necessary legal services that WilmerHale

---

<sup>2</sup> This amount reflects an agreed reduction in fees in the amount of \$13,212.12.

<sup>3</sup> The period from February 1, 2020 through and including February 29, 2020 is referred to herein as the “**Fee Period**.”

incurred in connection with such services during the Fee Period (i.e., \$96,888.88), and (ii) payment of \$1,710.34 for the actual, necessary expenses that WilmerHale incurred in connection with rendering such services during the Fee Period.

**Itemization of Services Rendered and Disbursement Incurred**

1. Attached hereto as **Exhibit A** is a chart of the number of hours expended and fees incurred (on an aggregate basis) by WilmerHale partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories WilmerHale established in accordance with its internal billing procedures. As reflected in **Exhibit A**, WilmerHale incurred \$110,101.00 in fees during the Fee Period and, pursuant to its agreement with Purdue Pharma, L.P., reduced that amount to \$96,888.88. Pursuant to this Fee Statement, WilmerHale seeks compensation for 80% of such fees, totaling \$77,511.10.

2. Attached hereto as **Exhibit B** is a chart of WilmerHale professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Debtors in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each professional. The blended hourly billing rate of attorneys for all services provided during the Fee Period is \$643.77.<sup>4</sup> The blended hourly billing rate of all paraprofessionals is \$370.11.<sup>5</sup>

3. Attached hereto as **Exhibit C** is a chart of expenses that WilmerHale incurred or disbursed in the amount of \$1,710.34 in connection with providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover WilmerHale's direct operating costs, which costs are not incorporated into WilmerHale's hourly billing rates.

---

<sup>4</sup> The blended hourly billing rate of \$643.77 for attorneys is derived by dividing the total fees for attorneys of \$96,888.00 by the total hours of 150.50.

<sup>5</sup> The blended hourly billing rate of \$370.11 for paraprofessionals is similarly derived by dividing the total fees for paraprofessionals of \$13,213.00 by the total hours of 35.70.

Only the clients for whom the services are actually used are separately charged for such services.

The effect of including such expenses as part of the hourly billing rates would unfairly impose additional cost upon clients who do not require extensive photocopying, delivery and other services.

4. Attached hereto as Exhibit D is the related invoice showing the time records of WilmerHale for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during the Fee Period as well as an itemization of expenses.

**Notice**

5. WilmerHale will provide notice of this Fee Statement in accordance with the Interim Compensation Order. WilmerHale submit that no other or further notice be given.

WHEREFORE, WilmerHale, in connection with services rendered on behalf of the Debtors, respectfully requests (i) compensation in the amount of \$77,511.10 which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal services that WilmerHale incurred in connection with such services during the Fee Period (i.e., \$96,888.88), and (ii) payment of \$1,710.34 for the actual, necessary expenses that WilmerHale incurred in connection with such services during the Fee Period.

Pursuant to sections 327, 330, and 331 of chapter 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York (the ”**Local Rules**”), the *Order Authorizing the Retention and Employment of Wilmer Cutler Pickering Hale and Dorr LLP as Special Counsel for the Debtors Nunc Pro Tunc to the Petition Date*, dated November 25, 2019 [Docket No. 544] (the “**Retention Order**”), and the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated November 21, 2019 [Docket No. 529] (the “**Interim Compensation Order**”), Wilmer Cutler Pickering Hale and Dorr LLP (“**WilmerHale**”), special counsel for the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”), submits this *Fifth Monthly Fee Statement for Compensation for Services Rendered and Reimbursement of Expenses Incurred for the Period from March 1, 2020 Through March 31, 2020* (“**Fee Statement**”).<sup>3</sup> By this Fee Statement, WilmerHale seeks (i) compensation in the amount of \$112,462.59 which is 80% of the total amount of reasonable compensation for actual, necessary legal services that WilmerHale incurred in connection with such services during the Fee Period (i.e., \$140,578.24), and (ii)

---

<sup>2</sup> This amount reflects an agreed reduction in fees in the amount of \$19,169.76.

<sup>3</sup> The period from March 1, 2020 through and including March 31, 2020 is referred to herein as the “**Fee Period**.”

payment of \$267.79 for the actual, necessary expenses that WilmerHale incurred in connection with rendering such services during the Fee Period.

**Itemization of Services Rendered and Disbursement Incurred**

1. Attached hereto as Exhibit A is a chart of the number of hours expended and fees incurred (on an aggregate basis) by WilmerHale partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories WilmerHale established in accordance with its internal billing procedures. As reflected in Exhibit A, WilmerHale incurred \$159,748.00 in fees during the Fee Period and, pursuant to its agreement with Purdue Pharma, L.P., reduced that amount to \$140,578.24. Pursuant to this Fee Statement, WilmerHale seeks compensation for 80% of such fees, totaling \$112,462.59.

2. Attached hereto as Exhibit B is a chart of WilmerHale professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Debtors in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each professional. The blended hourly billing rate of attorneys for all services provided during the Fee Period is \$708.55.<sup>4</sup> The blended hourly billing rate of all paraprofessionals is \$423.41.<sup>5</sup>

3. Attached hereto as Exhibit C is a chart of expenses that WilmerHale incurred or disbursed in the amount of \$267.79 in connection with providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover WilmerHale's direct operating costs, which costs are not incorporated into WilmerHale's hourly billing rates. Only the clients for whom the services are actually used are separately charged for such services.

---

<sup>4</sup> The blended hourly billing rate of \$708.55 for attorneys is derived by dividing the total fees for attorneys of \$124,351.00 by the total hours of 175.50.

<sup>5</sup> The blended hourly billing rate of \$423.41 for paraprofessionals is similarly derived by dividing the total fees for paraprofessionals of \$35,397.00 by the total hours of 83.60.

The effect of including such expenses as part of the hourly billing rates would unfairly impose additional cost upon clients who do not require extensive photocopying, delivery and other services.

4. Attached hereto as **Exhibit D** is the related invoice showing the time records of WilmerHale for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during the Fee Period as well as an itemization of expenses.

**Notice**

5. WilmerHale will provide notice of this Fee Statement in accordance with the Interim Compensation Order. WilmerHale submit that no other or further notice be given.

WHEREFORE, WilmerHale, in connection with services rendered on behalf of the Debtors, respectfully requests (i) compensation in the amount of \$112,462.59 which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal services that WilmerHale incurred in connection with such services during the Fee Period (i.e., \$140,578.24), and (ii) payment of \$267.79 for the actual, necessary expenses that WilmerHale incurred in connection with such services during the Fee Period.

<b>Total compensation requested in this statement</b>	\$34,980.00 <sup>2</sup> (80% of \$43,725.00)
<b>Total reimbursement of expenses requested in this statement</b>	\$193.25
<b>Total compensation and reimbursement requested in this statement</b>	\$35,173.25
<b>This is a(n):</b> <input checked="" type="checkbox"/> Monthly Application <input type="checkbox"/> Interim Application <input type="checkbox"/> Final Application	

Pursuant to sections 327, 330, and 331 of chapter 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York (the ”**Local Rules**”), the *Order Authorizing the Retention and Employment of Wilmer Cutler Pickering Hale and Dorr LLP as Special Counsel for the Debtors Nunc Pro Tunc to the Petition Date*, dated November 25, 2019 [Docket No. 544] (the “**Retention Order**”), and the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated November 21, 2019 [Docket No. 529] (the “**Interim Compensation Order**”), Wilmer Cutler Pickering Hale and Dorr LLP (“**WilmerHale**”), special counsel for the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”), submits this *Sixth Monthly Fee Statement for Compensation for Services Rendered and Reimbursement of Expenses Incurred for the Period from April 1, 2020 Through April 30, 2020* (“**Fee Statement**”).<sup>3</sup> By this Fee Statement, WilmerHale seeks (i) compensation in the amount of \$34,980.00 which is 80% of the total amount of reasonable compensation for actual, necessary legal services that WilmerHale incurred in connection with such services during the Fee Period (i.e., \$43,725.00), and (ii)

---

<sup>2</sup> This amount reflects an agreed reduction in fees in the amount of \$5,962.50.

<sup>3</sup> The period from April 1, 2020 through and including April 30, 2020 is referred to herein as the “**Fee Period**.”

payment of \$193.25 for the actual, necessary expenses that WilmerHale incurred in connection with rendering such services during the Fee Period.

**Itemization of Services Rendered and Disbursement Incurred**

1. Attached hereto as **Exhibit A** is a chart of the number of hours expended and fees incurred (on an aggregate basis) by WilmerHale partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories WilmerHale established in accordance with its internal billing procedures. As reflected in **Exhibit A**, WilmerHale incurred \$49,687.50 in fees during the Fee Period and, pursuant to its agreement with Purdue Pharma, L.P., reduced that amount to \$43,725.00. Pursuant to this Fee Statement, WilmerHale seeks compensation for 80% of such fees, totaling \$34,980.00.

2. Attached hereto as **Exhibit B** is a chart of WilmerHale professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Debtors in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each professional. The blended hourly billing rate of attorneys for all services provided during the Fee Period is \$1,034.97.<sup>4</sup> The blended hourly billing rate of all paraprofessionals is \$406.64.<sup>5</sup>

3. Attached hereto as **Exhibit C** is a chart of expenses that WilmerHale incurred or disbursed in the amount of \$193.25 in connection with providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover WilmerHale's direct operating costs, which costs are not incorporated into WilmerHale's hourly billing rates. Only the clients for whom the services are actually used are separately charged for such services.

---

<sup>4</sup> The blended hourly billing rate of \$1,034.97 for attorneys is derived by dividing the total fees for attorneys of \$37,569.50 by the total hours of 36.30.

<sup>5</sup> The blended hourly billing rate of \$406.64 for paraprofessionals is similarly derived by dividing the total fees for paraprofessionals of \$12,118.00 by the total hours of 29.80.

The effect of including such expenses as part of the hourly billing rates would unfairly impose additional cost upon clients who do not require extensive photocopying, delivery and other services.

4. Attached hereto as **Exhibit D** is the related invoice showing the time records of WilmerHale for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during the Fee Period as well as an itemization of expenses.

**Notice**

5. WilmerHale will provide notice of this Fee Statement in accordance with the Interim Compensation Order. WilmerHale submit that no other or further notice be given.

WHEREFORE, WilmerHale, in connection with services rendered on behalf of the Debtors, respectfully requests (i) compensation in the amount of \$34,980.00 which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal services that WilmerHale incurred in connection with such services during the Fee Period (i.e., \$43,725.00), and (ii) payment of \$193.25 for the actual, necessary expenses that WilmerHale incurred in connection with such services during the Fee Period.

<b>This is a(n):</b> <input checked="" type="checkbox"/> Monthly Application <input type="checkbox"/> Interim Application <input type="checkbox"/> Final Application	

Pursuant to sections 327, 330, and 331 of chapter 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York (the ”**Local Rules**”), the *Order Authorizing the Retention and Employment of Wilmer Cutler Pickering Hale and Dorr LLP as Special Counsel for the Debtors Nunc Pro Tunc to the Petition Date*, dated November 25, 2019 [Docket No. 544] (the “**Retention Order**”), and the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated November 21, 2019 [Docket No. 529] (the “**Interim Compensation Order**”), Wilmer Cutler Pickering Hale and Dorr LLP (“**WilmerHale**”), special counsel for the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”), submits this *Seventh Monthly Fee Statement for Compensation for Services Rendered and Reimbursement of Expenses Incurred for the Period from May 1, 2020 Through May 31, 2020* (“**Fee Statement**”).<sup>3</sup> By this Fee Statement, WilmerHale seeks (i) compensation in the amount of \$10,938.75 which is 80% of the total amount of reasonable compensation for actual, necessary legal services that WilmerHale incurred in connection with such services during the Fee Period (i.e., \$13,673.44), and (ii)

---

<sup>2</sup> This amount reflects an agreed reduction in fees in the amount of \$1,864.56.

<sup>3</sup> The period from May 1, 2020 through and including May 31, 2020 is referred to herein as the “**Fee Period**.”

payment of \$245.50 for the actual, necessary expenses that WilmerHale incurred in connection with rendering such services during the Fee Period.

**Itemization of Services Rendered and Disbursement Incurred**

1. Attached hereto as **Exhibit A** is a chart of the number of hours expended and fees incurred (on an aggregate basis) by WilmerHale partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories WilmerHale established in accordance with its internal billing procedures. As reflected in **Exhibit A**, WilmerHale incurred \$15,538.00 in fees during the Fee Period and, pursuant to its agreement with Purdue Pharma, L.P., reduced that amount to \$13,673.44. Pursuant to this Fee Statement, WilmerHale seeks compensation for 80% of such fees, totaling \$10,938.75.

2. Attached hereto as **Exhibit B** is a chart of WilmerHale professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Debtors in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each professional. The blended hourly billing rate of attorneys for all services provided during the Fee Period is \$1,377.16.<sup>4</sup> The blended hourly billing rate of all paraprofessionals is \$294.74.<sup>5</sup>

3. Attached hereto as **Exhibit C** is a chart of expenses that WilmerHale incurred or disbursed in the amount of \$245.50 in connection with providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover WilmerHale's direct operating costs, which costs are not incorporated into WilmerHale's hourly billing rates. Only the clients for whom the services are actually used are separately charged for such services.

---

<sup>4</sup> The blended hourly billing rate of \$1,377.16 for attorneys is derived by dividing the total fees for attorneys of \$12,119.00 by the total hours of 8.80.

<sup>5</sup> The blended hourly billing rate of \$294.74 for paraprofessionals is similarly derived by dividing the total fees for paraprofessionals of \$3,419.00 by the total hours of 11.60.

The effect of including such expenses as part of the hourly billing rates would unfairly impose additional cost upon clients who do not require extensive photocopying, delivery and other services.

4. Attached hereto as **Exhibit D** is the related invoice showing the time records of WilmerHale for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during the Fee Period as well as an itemization of expenses.

**Notice**

5. WilmerHale will provide notice of this Fee Statement in accordance with the Interim Compensation Order. WilmerHale submit that no other or further notice be given.

WHEREFORE, WilmerHale, in connection with services rendered on behalf of the Debtors, respectfully requests (i) compensation in the amount of \$10,938.75 which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal services that WilmerHale incurred in connection with such services during the Fee Period (i.e., \$13,673.44), and (ii) payment of \$245.50 for the actual, necessary expenses that WilmerHale incurred in connection with such services during the Fee Period.
